| | | |
|--------------------------------|------------|--|
| Is technical support required? | Yes (tick) | |
| | No (tick) | |

Terms & Conditions:

CoursePlus is a joint initiative of Education Services Australia and Hobsons Australia. The data provided under this arrangement is copyright © Education Services Australia /Hobsons Australia 2001.

The copyright statement must be displayed in an agreed position in any electronic or published format. Use of data is expressly restricted to the agreed arrangement, which will specify the term and extent of the licence.

The licensee must NOT:

- On-sell the data
- Publish or utilise the data in any form and for any purpose beyond the extent of any CoursePlus licence agreement
- Beyond the terms of the licence, loan, copy, lease, distribute or transfer the data, or permit any third party to do so
- Disassemble or reverse engineer the data, or permit any third party to do so.
- Use the data in any way or form beyond the "end date" of the licence.

The information of this page is necessary to determine which fields of data are required, and what data you want to be displayed to your users. All potential data licensees should explore OZJAC On-line to determine the required data and display fields. Contact courseplus@esa.edu.au for a temporary access password.
